Order successful message:

The screenshot shows a web browser window with the URL 127.0.0.1:5500/order.html. A modal dialog box is displayed, containing the text "127.0.0.1:5500 says" and "Your order placed successfully". In the bottom right corner of the modal is a blue "OK" button. The background page has sections for "Delivery Address" (with an input field containing "No 30, Bangalore") and "Payment Method" (with radio buttons for "Cash on Delivery", "Card", and "UPI", where "UPI" is selected). Below the payment method section is a "Pay Now" button.

Redirected to dash board with empty cart for fresh ordering:

The screenshot shows a web browser window with the URL 127.0.0.1:5500/dashboard.html. At the top, it displays the user information "Manju@gmail.com" and "Logout". Below this is a navigation bar with links: "Show Cart", "Details", "Show Product", "Search Item", and "Menu". The main content area is a table representing a cart summary. The columns are labeled "Item Name", "Price", "Menu Item", "Quantity", "Item Total", and "Action". There is one row in the table with the following data: "Total Cost", "0", "0", "0", and a green "Place Order" button. The table has a light gray background and white text for the column headers.
